EXPLORE OUR NEIGHBORHOOD

Nestled between the coastal mountains and the Cascades, you'll find our hometown of Corvallis easy to navigate by foot, bicycle or by car.

WALKING. Stroll to nearby Oregon State University; walk to the covered bridge; visit the Fairbanks Art Gallery; or enjoy coffee at a campus café.

BIKE AND HIKE FRIENDLY. Corvallis has excellent biking and hiking paths in and around the city. We recommend a walk in MacDonald Forest or up Bald Hill.

EXPLORE DOWNTOWN. Visit our great bookshops and coffee houses; enjoy a concert in Central Park; see a play at the Majestic or a movie at the Avalon. Stop at the natural foods Co-op or New Morning Bakery for picnic fare and take a walk along the riverfront.

DISCOVER OREGON WINERIES. Visit our local vineyards—Airlie, Belle Vallée, Cardwell Hill, Springhill and Tyee. Then head north on 99W and visit Eola Hills, Bethel Heights, Cristom and Amity. Head south to visit Broadley, King Estate, and Sylvan Ridge/Hinman.

HEAD TO THE COAST. Visit the Newport bay front; walk the Oregon beaches; visit lighthouses; and have dinner at Sharks, one of our favorite seafood restaurants.
